Organic Weakness,

Immediately cured and full vigor restored.

This dreadful disease is the penalty most frequently paid by those who have become the victims of improper indulgencies. Young persons are too apt to commit excesses, not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny shat the power of procreation is lost scener by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, awasting of the frame, cough, symptoms of consumption, &c.

A Certain Disease.

When the misguided and imprudent votary of pieasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters mm from applying to these who, from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their apper rance, such as ill-crated sore throat, diseased nose nocturnal pains in the head and limbs, dimness of sight, deatness, nodes on the shin bones and arms blotches on the head, face, and extremities, progressing with frightful rapidity, till, at last, the palate of the mouth or the bones of the nose fail in, and the victim of this awful disease becomes a horrid object of commisseration, till death puts a period to his dreadful sufferings by sending him to "that bourne trong whence no traveler returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy; and, from his extensive practice in the first hospitals in Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a meiancholy fact that thousanns han vicinm to this dreadful complaint, owing to the unsample of the preserve, mercury, ruin the constitution, and either send the unfortunate sufferer to an unimety grave, or else make the residue of lite miserable.

LIQUID CATHARTIC,

Pleasant Family Physic.

A Sentirely Vegetable preparation, ploasant to the taste, unexcelled in its on upon the Liver, Stomach, and general system. As an antibilious and alterative physic, this medicine
HAS NO EQUAL IN THE WORLD.
I have used it constantly in my practice for upwards of ten years in all cases where a good physic and alterative was required, and would not now do without it. It is the Physician's Assistant, as well as the safest family medicine in use. Children drink it with pleasure. It will not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all impurities from the system if it is properly taken. Already thousands of living witnesses are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas in a few days. It is a never-failing cure for Headache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Worms, Lumbago, Blotches on the Skin, Pimples, Cutaneous Eruptions, Obstructions in the System Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleanses by its superior medicinal virtues, the ulcerous humor from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it invigorates the blood and leaves the system healthy. I ask my friends to test the above medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity, and its sales have increased beyond the most sanguine hopes of its friends. Neighbors recommend it as a safe and unequalled physic! Physicians carry it with them. Children will take no other after one trial, and parents should use no other in their familes. DR. BROTHERS' FEMALE PILLS,

Bepecially Designed for Female Complaints.

The constitution always suffers more or less when any of the secretions or discharges, established by me laws of nature, are arrested or retarded; but from none does more evil arise than from obstruction, or suppression of the menses. This is sure in time to bring on a train of complicated and obstinate discases, such as pains in the head, back, loins, and abdomen; detern atton of blood to the head, and consequent dixiness, cold extremities, but especially cold feet; loss of apputite, contiveness, and general debility; Cough, Falpitation of the Heart, Hectic Fe er, and Consumption. The re-establishment of the Catamental eracuation, whenever checked or suspended, is indispensable to health, and the continuance of life.

I have tried every preparation used by modern Physicians, with the most distinguished and celebrated patent nostrums, now so highly extolled; as the various l'anaceas, Sarsaparilla Syrups, Balsams, and Extracts; and, after repeated trials for years, in different forms of discase, I have found that this Syrup beyond all comparison, far exceeds them all. In Obronic Inflammation of the Liver White Swelling, Necrosis, or Fever Seres, Rickets, Pistula, and King's Evil; in short, in every taint of the system or blood, from whatever cause it may arise, or however long standing, this medicine will be a pre-eminently superior article, and of the highest value in all cases for which it is recommended. This medicine is truly unsurpassed in fulfilling the indications for which it is given, which is generally to produce free perspiration; hence its great and preeminent value in severe and violent colds and coughs, fevers, inflammations, pleutrisy, neuralgia, quinsy; and also in allaying pain, however acute, as in bilious cholic, rheumatism, gravel, retention of urine, painful menstruation, &c. DR. BROTHERS'

Compound Ulmus Ponders, for Poultices.

This Powder made into Poultices is the most efficacious of any of the various kinds recommended, and among all the different kinds used, I know of none which is equal to this for all inflammations, whether of the eyes, face, limbs, or other parts of the bedy—for Burns, Ulcers, Sore and Inflamed Breasts, Erykipelas or St. Anthony's Fire, Piles, White Swellings, King's Evil, or Scrofulous and Fever Sores, and Cuts, Inflamed Wounds, Carbuncles, &c. It rapidly diminishes pain, heat, swelling, and where there is any gathering of purulent matter, it promotes a free and casy suppuration. A better article of the kind is not to be found. These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humors, remove obstructions, regulate the system, purify the blood, and thus care the complaint. The Rheumatic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup made from the Alterative Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid,) must be taken according to directions accompanying it; but in most instances the Pills alone, or the Pills and Liquid, will remove the complaint in a short time. plaint, and can therefore afford only temporary reief. Again, the disease is often beyond the reach o
aid from external applications, an objection to which
this remedy is not liable, it being taken internally.
It is perfectly safe, pleasant to take, mild and easy
in its operation, and affords immediate relief.
It is equally efficacious in curing both the Blind
and Bleeding Piles. If the bowels are left costive
after the use of this medicine, a little physic may be
taken to regulate them. Having been trying the All
Healing Ointment in some very bad cases of Piles, I
hesitate not to assure the afflicted that it is a very
valuable medicine, and an inestimable auxiliary to
the Electuary. I consider it the best external application, I have ever known. The Electuary is an internal remedy, and the Ointment as an external application, used in connexion, I doubt not would be effectual in the most obstinate cases, and must surpass
in all instances any other remedies for Piles to be
found. Price \$1.

Complaints of Children.

This Medicine possesses the power, in a very remarkable manner, of neutralizing the acidity of the Stomach, or removing the morbid or aerid secretions of the Liver, which are the exciting causes of bowel complaints in general. It allows sickness of the stomach, removes the pain, causes healthy evacations from the bowels, at the same time acts as a gentic astringent. Hence it will be found a very superior and valuable remedy, in both scute and chronic dicesses of the bowels, in Diarrhos, Dysentery, Cholera Morbus, and Summer Complaints of Children. In all these complaints the liver is usually more or less affected, the stomach in an irritable, and the bowels in an inflamed condition. This medicine is more effectual in relieving all these organa, restoring the tone and natural functions. Among all the numertone and natural functions. Among all the numer-ous remedies for these diseases, some of which are strongly recommended, this has proved itself, in every instance, to be the best, the surest, safest, and most effective of all. I do not think its equal can be found for children when teething, or as a remedy for bowel complaints. Price 50 cents.

TESTIMONY FAGM NORTH CAROLINA.

Certificate of Dr. W. Smith, of Pine Hill, Rich mond County, North Carolina.

PINE HILL, March 4, 1854.

Dear Sin: I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Rutherfordton, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hoofland's German Bitters," prepared by yeu, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (he a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours,

Dr. C. M. Jackson, Philadelphia.

"Having experienced very great benefit from the use of Hoofland's German Bitters, in Chronic Dysentery and Functional Derangement of the Liver, and its concomitant evils, I am desirous of obtaining a quantity of it for the benefit of my community. You will, therefore, please send a lot, &c."
